14 Valentines Day

2 World Wetlands Day

Urban wetlands reduce flooding, replenish drinking water, filter waste, provide urban green spaces, and are a source of livelihoods.

Check out our Wetlands Recovery Program, full of native Victorian species.

20 World Frog Day

Frogs can breathe and drink through their skin.

22 Earth Hour

Switch off for climate change!

1 Reef Awareness Day

Around one quarter of all marine life species live on coral reefs, but the reefs only make up less than 1% of the ocean.

5 World Environment Day

encourages awareness and action for the protection of the environment.

8 World Oceans Day

Each year on World Oceans Day we raise awareness about ending overfishing and protecting our oceans.

16 World Sea Turtle Day

Females return to the same beach they hatched on, to lay their own eggs and bury them in sand 'nests'. Marine turtles' amazing ability to navigate comes from their sensitivity to the Earth's magnetic fields.

July Vic School holidays Jul 5-20
